

Learn to Sail

Give your daughter or son an unforgettable summer experience!

Hempstead Harbour Club's 2017 Junior Sailing program is an affordable, fun-filled and educational program training both first time sailors as well as experienced racers. Sailors 8-15 years old learn sailing skills, seamanship and water safety while more advanced sailors refine their racing skills and participate in regattas. **Open to nonmembers.** Your child's lifetime on the water can start this summer.

- ▶ The Club offers a 7-week session and a 4-week session starting June 26th as well as a 3-week session starting July 24th; all sessions have half day/mornings (9:30 - 12:30) or full days (9:30 - 3:30) available. All programs are run Monday through Thursday. Discounts available for early registration ➔ **April 30th**.
- ▶ Sailing instruction is led by the Club's staff of US Sailing certified instructors. Adult instruction is also available.
- ▶ Class size is limited, email today or visit our web site for registration forms and more information.
